

## TERRINGTON PRIMARY SCHOOL BULLETIN

### Key Stage 1 & Key Stage 2 Castle Howard Trip

On **Tuesday 6<sup>th</sup> July** the key stage 1 and 2 children are going on a trip to Castle Howard. The trip will take place during the school hours, but please can the children arrive promptly ready for a swift departure. The trip is linked with our geography work and whole school community based topic. Children can either bring a packed lunch or one can be ordered through the following forms link;

[https://forms.office.com/Pages/ResponsePage.aspx?id=8z1J106hXk-PbRLOBlhxqOLrw1\\_NGQlJhjRb-z8oCg1UMFJXMINMSDUyR1dJNks5SFJFT1g3WlhVSy4u](https://forms.office.com/Pages/ResponsePage.aspx?id=8z1J106hXk-PbRLOBlhxqOLrw1_NGQlJhjRb-z8oCg1UMFJXMINMSDUyR1dJNks5SFJFT1g3WlhVSy4u)

by **Wednesday 23<sup>rd</sup> June**. Children are to wear school uniform and should come with appropriate clothing to be outside all day, this will be weather dependent (sunhats, waterproof coat, hat, gloves). This is an outdoor trip. Please can children also bring a rucksack, which should include any clothing, packed lunch and drinks. If you do not consent to your child attending the trip, please can you email the school office. Please can we ask for a voluntary contribution of £10 (entry to Castle Howard and for the coaches) to make this trip possible, this will be added to ParentPay.

### Art Exhibition

The children will be taking part in an art competition and exhibition, organised by the Diocese of York. The theme of the competition is 'being light in difficult times', which requires the children to make a sculpture. All entries will be displayed, in photograph form, on the afternoons of 26th and 27th June at Flaxton Village Hall. The entries will then be judged by Sister Margaret Ann, the winners from this round will then go onto the Diocese. It would be lovely if you could attend this community event, where refreshments will be available. Please find attached a poster about the art exhibition.

### Whole school charity day

As part of our whole school charity day, we asked pupils to come in non-school uniform and suggested a donation. I am pleased to say, we have raised a whopping £52! Thank

you to all parents and carers for all your continued support towards our current chosen charity. Pupils worked exceptionally well on Wednesday morning re-

**HOPING**  
YORK STREET KITCHEN

searching into different charities in our local community

with the intent of choosing a new charity to support over the next coming year.

Pupils looked at what, who and how different charities support different elements within our area. Some of the charities we looked at were: York Mind, Refugee York

and Ryedale foodbank. Pupils gathered their research and presented back to the whole school where they voted on the charity they felt passionate about. We plan to meet with Foston and Stillington to share our chosen charity.

## Important Reminder

Please can we remind parents not to enter North Back Lane from the No Entry end of the Lane. The roadworks through the village are understandably causing many users and residents of the village much disruption. However, please be aware that there are two schools and a doctors surgery on North Back Lane, along with a number of household residencies so there is a potential for an accident to occur if the rules of the road are not being followed. Please be aware the Parish Council are noting the cars who are entering North Back Lane from the No Entry end of the lane and we have been advised there maybe a police presence in the area.

## PHSE—KS2

In KS2 over this term, we are looking at transitions, puberty and how our bodies change over time. We will keep parents updated and share resources that we plan to use as part of the RSE curriculum in the next coming weeks.

## Spotlight on this weeks classwork

### KS2

### Art

In KS2 this week, we have been researching, planning and creating a final piece to be presented as part of our local community art project 'being light in difficult times'. We have looked at a variety of mediums such as: clay, mod-rock and wire to create an inspirational sculpture. We will send images of our work off to be judged and displayed as part of the project. Fingers crossed we win!

### KS1

### English

In English we have been reading '10 Things I Can Do to Help My World' by Melanie Walsh. On Monday, the children performed parts of the book, showing their understanding through actions and practising using intonation. They children have thoroughly this topic so far and have a fantastic understanding of the ways they can look after the environment.

### EYFS

### Making a Splash!

Nursery have been making the most of the sunshine this week and have enjoyed making a splash! They did a fantastic job at getting the drain pipes onto the water channels to create their 'waterfall'. They experimented using different sizes and lengths of drain pipes until they found the perfect size to create the biggest splash! They even had lots of fun jumping in the puddles!

# DIARY DATES

Castle Howard trip	KS1 and KS2 6th July
Sports Day	7th July
Leavers' Service	22nd July 9.30am
Summer holidays	Last day of school 23rd July 2021
