### Poppy Appeal

### Trips

As a school, we do our very best to provide your children with as many enrichment activities as possible to enhance our curriculum offer. Whilst school subsidises these as much as possible, they do often involve a small cost to yourselves. A significant number of parents did not make the voluntary contribution requested for several trips last term, which does make planning future trips more challenging. With many parents, this is probably just an oversight, and these trips do remain live on ParentPay if you would like to add your contribution. Meanwhile, we do have several trips coming up this term and we urge you, please, to make your payment to allow the trips to go ahead. If you are unable to pay the full amount, the system will allow you to pay as much as you can afford. Thank you for your help with this.

**EYFS and KS1**

**EYFS**

The children in Early Years have been busy exploring how the festival of Diwali is celebrated! They had a lovely time on the Early Years 'Story Craft' trip!

**KS1**

Fire of London Day KS1

WOW!!!! What a fantastic day all the children had from the different schools.

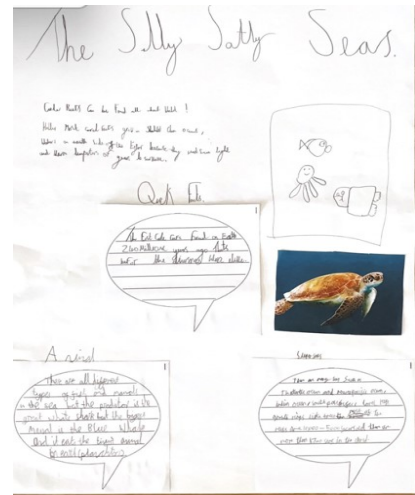

They recounted what they had already learnt, they then designed and created their Tudor style houses. After lunch we discussed how the fire started and the three different things that a fire needs to start (Fire triangle – fuel, heat and oxygen). We then recreated the Fire of London to show how the fire spread and why some houses didn't burn.

**KS2**

This week in English we have been looking at the Ocean and researching different points relating to how we use it, their locations and how we as humans use the ocean in a positive way. We had a big class discussion and the children came up with some wonderful points and created some fantastic work!

We had lots of fun experimenting with different ingredients and chopping skills to make healthy treats. We made hummus and flapjack. Yum, Yum!

**Parent Information**

This is a reminder to all parents and new starters that children in Reception, Year 1 and Year 2 are eligible for universal free school meals, there is no criteria for this, all children in these year groups receive this.

**Relaxed performance of Father Christmas experience at Castle Howard**

I'm from the team at Castle Howard. This year we're offering a Relaxed Performance of our Father Christmas and Friends experience – it's an interactive performance where children travel through three beautiful, theatrical rooms meeting various characters, before finally meeting the man himself and taking home a gift.

The Relaxed Performance is on December 13<sup>th</sup>, 5pm, designed for children and young people with learning disabilities or additional needs. There's reduced capacity to make sure the experience is as comfortable as possible, ear defenders available, a quiet space to relax in, and no loud noises or surprises.

I'd like to spread the word as much as possible so that the event reaches the right people, and I was hoping you might be able to share it with your network? You can find all the details, plus FAQs on our webpage: <https://www.castlehoward.co.uk/whats-on/christmas-at-castle-howard/christmas-at-the-castle-with-father-christmas-and>
