

TERRINGTON PRIMARY SCHOOL BULLETIN

We would like to welcome you all back to school this week we have a very busy half term so please check the diary dates for the next five weeks.

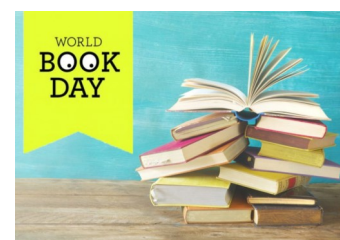

Muslim Day

This term the KS2 children have been learning all about the Muslim religion in Religious Education. On Wednesday 1st March children in KS2 (Miss Tordoff's class) will be having a Muslim day, taking place at Stillington Primary School. The children will be picked up from school after 9am and will be back in time for pick up at the end of the school day. The day will see the children baking, looking at Muslim artefacts and art and having a Muslim educational leader in school to talk to them all about the Muslim Religion. Children can order a school lunch on the day as normal or bring a packed lunch with them to take to Stillington. We are asking for a voluntary contribution of £7.50 to cover the cost of the day, payable through parent pay.

World Book Day

World Book Day is coming up on **Thursday 2nd March** where we celebrate the wonderful world of books and stories that allows our imaginations to come to life. This year we are focussing on the theme of 'Superheroes' linked back to our Wonderful Wednesday focus around different careers. We would like the children to come to **school dressed as their real-life superhero**, may this be a doctor, baker, firefighter or many, many others! Please aim to focus on the everyday people who truly are superheroes for the help they provide.

Sports Enhancement Day

On Tuesday 21st March, Children from years 1 – 6 will be taking part in our termly Sports Enhancement Day at Stillington Sports Hall. Terrington and Foston children will be travelling on buses to Stillington with adults from their school. This event is held during the school day, the children will be returned to their school before the end of the school day. Please can **all** children come to school in their PE kits. Children in years 1 – 6 are asked to bring a packed lunch or order one from school. **Please can orders be placed for a school packet lunch by the 3rd of March**, this is so our school cook can order items in. choices of sandwiches include: **Ham, Cheese or Tuna**. Reception and nursery children will also take part in some different sport activities at their school including circus activities. Hot school lunches will be available for reception and nursery children if they require one.

Message from Governors

The consultation on our proposal to form a new federation of Foston, Stillington and Terrington Schools has now ended. Governors will be considering the responses received at separate meetings on 28th February and 6th March, and will decide whether to move to the new FST Primary Schools Federation.

If Governors decide it is in the best interests of all three schools to form the new federation, this would be from 28th March 2023, when the current Governing Bodies would be dissolved and a new Governing Body for the three schools would be formed which would have 2 Parent Governors, elected by parents from across the three schools. Please watch out for details of the role of a Parent Governor, the election process and nomination forms which will be e-mailed to all parents on Monday. We are pleased that some governors from both GBs wish to continue to serve, providing continuity and their skills and experience. One current parent governor will stand for re-election.

WOW WORK

EYFS and KS1

EYFS

Nursery and Reception have enjoyed using the large outdoor brushes and water to mark make with on the ground and fences around school. Everyone challenged themselves by using their gross motor skills to carry and move the large brushes. We had some super patterns being created!

KS1

Year 1 and 2 had a fantastic time exploring what instruments are made from during music, experimenting with how this altered the sound created. They used their previous knowledge of materials to sort the instruments into wood, plastic and metal.

KS2

KS2 have enjoyed exploring our new book this week 'The London Eye Mystery'. We looked at our capital city and created some artwork based on the skyline. We experimented with charcoal to create some fantastic pieces of art!
