Snap Chat

It has come to our attention that some of the children across our federation are using Snap Chat to communicate with each other. Please note the age limit for this app is 13+, it is particularly concerning that any unkind comments disappear so it could be used for online bullying. Please find attached a leaflet about Snap Chat.

Terrington Playgroup

Playgroup for families during term time (Please see attached poster).

EYFS/KS1 WOW WORK

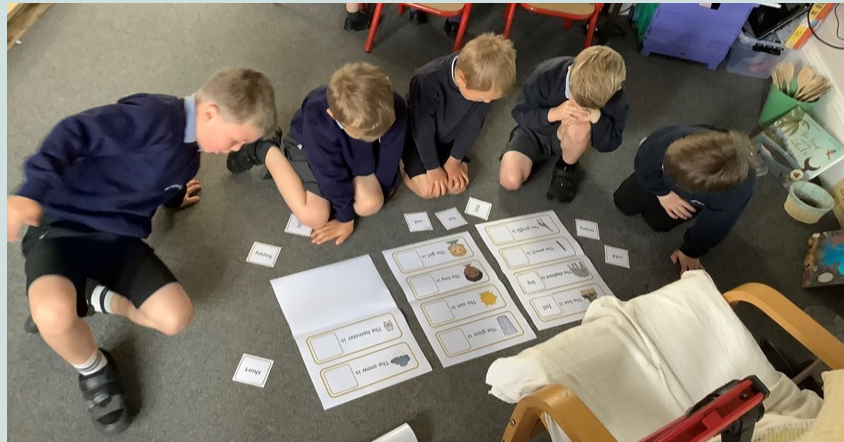

Nursery and Reception

This week the children have been exploring animals that live under the sea. We have enjoyed exploring our topic stories, writing animal names, creating our own jellyfish and creating our own oceans!

Year 1 and Year 2

This week the children have been exploring adjectives in English, as we describe the crayons from the story 'The Day the Crayon's Quit'. I was blown away by their amazing work!

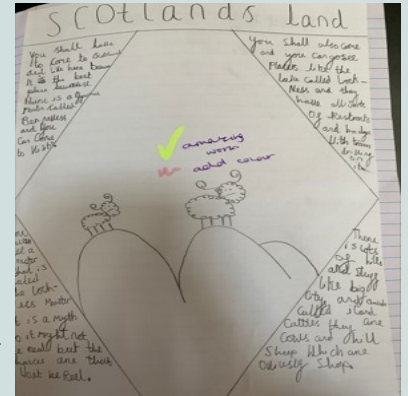

KS2 WOW WORK

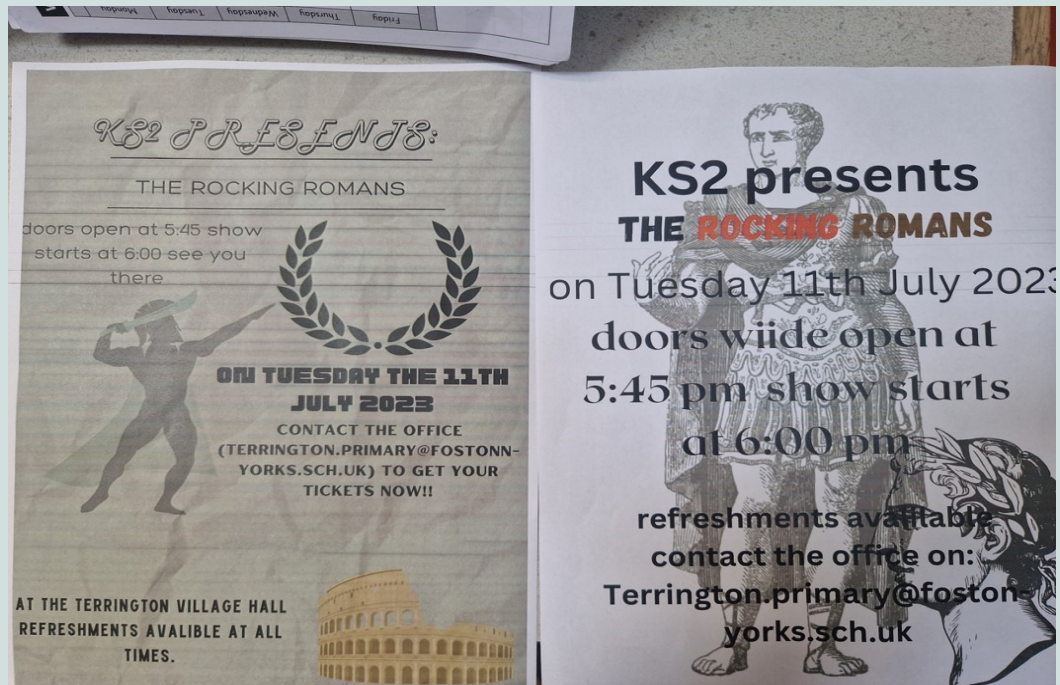

KS2 Wow Work

This week in Geography the children have been exploring different countries in the United Kingdom. They have been looking at different places in Scotland and reviewing the different human and physical features in the country. They got to explore lots of different places in Scotland and made an advert to convince people to move to the country! KS2 all completed excellent work and made some convincing and beautiful posters telling people why they should move!

KS2 Art club / KS2 Play

Pupils loved our lunch time art club this week where we focused on digital literacy. Pupils used software to create a poster for our upcoming KS2 Play. They developed their skills of graphic design by playing with layering and transparency. See below for more details for our play:
