

Terrington C of E Primary School Bulletin

26th May 2023

FOTS Information

FOTS raised **£675** at The Table Top sale. Thank you to everyone who helped run the event and were able to attend. We had great support from the village.

FOTS will be meeting Miss Tordoff on Monday 5th June at 3.30pm at school for fund-raising ideas and how we can help school with FOTS money. All parents are welcome.

FOTS is always looking for more volunteers, please email kitty@kittypennybacker.com if you would like to join us.

Countryside Day

On Wednesday 14th June, KS2 pupils (Y3-6) will be attending the countryside day at Harrogate show ground. On this day, please can we ask that pupils arrive to school for 7:45am and the estimated return to school is 4pm. Pupils are asked on this day to bring a packed lunch from home or order one from the school office by Friday 26th May with the options being: ham, cheese or tuna mayo. A voluntary payment of £15.00 will be on ParentPay for this trip. If you have any questions, please send an email to the school office.

Also can you give [consent for your child to go on the trip through ParentPay](#) or they will be unable to go.

DATES FOR THE DIARY

Fantastic Friday (Last day of Term)	Friday 26th May (pack ups for lunch all years) (PE kit)
First Day Back	Monday 5th June
KS2 Swimming (every Thursday)	Thursday 8th June
Countryside day (KS2 years 3-6)	Wednesday 14th June (pack up for years 3-6) (school uniform to be worn) (arrive to school at 7.45am)
Sports Day	Tuesday 4th July (reserve 6th July) times tbc
Last Day of Term	Friday 21st July

Extra Curricular clubs

Please can I remind parents/carers all outstanding extra-curricular club payments must be paid before booking next terms sessions.

All wraparound care will also need to be booked for next term.

Please find below our extra-curricular clubs for next half term. To book a place, please email the school office. For our extracurricular clubs, these will now be available on a **block basis only**.

	Monday	Tuesday	Friday	Friday
Club	Music Club	Tennis Club	Drama	Rounders & Cricket
Leading Adult	Mr Dias-Leo	Total Sports	Audrey	Malton Sport
No. of sessions	6	7	2 June 16 th and June 23 rd	6
Age	Years 1-5	Years 1- 5	Nursery – Year 2	Years 1-5
Cost for the block	£24	£21	Free	£18
Maximum	15	20	16	20

Miss Tordoff will also be leading an art club at lunchtime to prepare for our Roman Play.

Swimming KS2

Beginning the 8th June, KS2 will be attending swimming at Derwent swimming centre in Norton as part of our curriculum learning. On this day, can we ask that pupils come to school with their swimming attire on under their school clothes. Pupils are required to bring a bag containing a towel and fresh underwear to be changed into after swimming. If anyone has any questions, please speak to Miss Tordoff.

Y4 Statutory timetable test

When we return to school after the half term, we will be getting ready for the Y4 times table test in the first couple of weeks. Therefore, we would like to ask if all Y4 pupils can continue to practise their times tables at home. Some great websites for this are [TTrockstars](#) and [Timestable test](#).

Terrington Playgroup

Playgroup for families during term time (Please see attached poster).

Malton Community Sports Centre

We have some new clubs and half term camps starting over the next few weeks and we would appreciate it if our cluster schools could send out the posters to parents, We have Mini Kickers Football running for KS1, Netball Club for KS2, a new Basketball KS2 club starting a week today and Holiday Camps (KS1 & KS2) at the end of the month. (See attached poster)

INFORMATION

RSE workshop

In the Summer term, KS1 and KS2 pupils will be learning about how their body grows and changes as part of PSHE. Year 5/6's will specifically be learning about sex education including how babies are made. Please note, this is the only part of the PSHE curriculum that pupils can be withdrawn from in Y5/6. Due to the nature of topics discussed throughout this term, we would like to invite parents to a workshop to discuss materials shared with children across the key stages. The workshop will take place on Thursday 8th June at 4pm at Terrington School but can also be accessed via the teams link below.

Microsoft Teams meeting

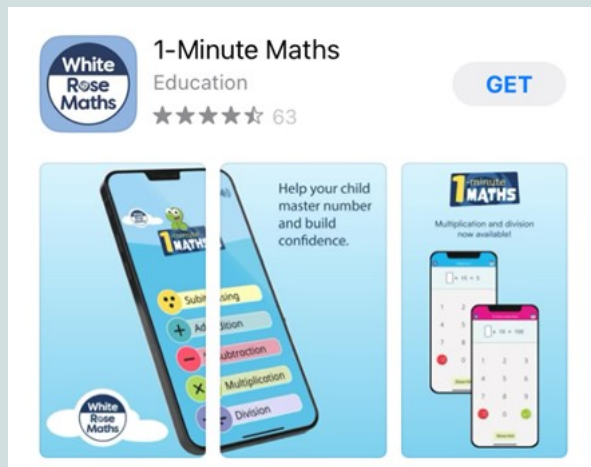

Join on your computer, mobile app or room device

[Click here to join the meeting](#)

If you have any questions, please direct this to your school office which will be forwarded onto the PSHE lead.

Maths app

A fantastic app has been brought to our attention which follows the scheme of learning we use in school. The app is for 1 minute quick maths focusing on key mathematical concepts including timestables. The app is child friendly and accessible on most mobiles and tablets. Please see below an image of the app for your information:

INFORMATION

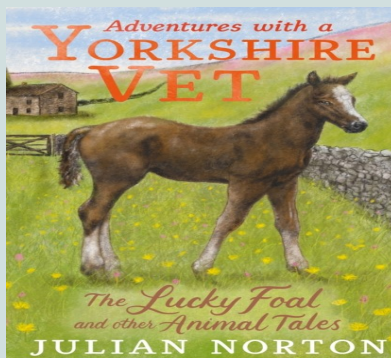

Dance performance

The children have loved working with Just Dance York to learn interesting and creative routines over the past half term. They felt very confident performing in front of parents and were exceptionally proud of their accomplishments.

Milton Rooms

During the half term break we have Julian Norton appearing at the Milton Rooms to talk about two new books he has written for children. There will be an opportunity to ask questions and have books signed afterwards. The books are aimed at 8-12 year olds, so this would be a lovely half term treat!

EYFS/KS1 WOW WORK

Nursery and Reception

Early Years have enjoyed learning all about 'People Who Help Us' this half term and loved exploring paint mixing to create some beautiful fire pictures!

Year 1 and 2

We had a fantastic time on our trip to Flamingo Land Zoo, learning all about classification of animal groups! The children were introduced to a range of animals and even got up close to a snake, giant cockroach and tiny hedgehog

KS2 WOW WORK

In DT the KS2 children have been making the final 'shell structure' product that they designed. They have been exploring this across two half terms and their final products look amazing. They have completed a variety of products ranging from someone creating a tent to people making dog toys and pillows! Once the products have been made they will be evaluating their work to see what was good and what was difficult to make.

Ryedale Eco Fair, Milton Rooms, Saturday 10th June, 10am-3pm (Please see attached posters)

As you may be aware, we are in the process of organising our third annual Eco Fair, to take place at the Milton Rooms on Saturday 10th June, 10-3, to coincide with the Great Big Green Week.

We've been working hard on initiatives to engage more young people at the fair and in what is going on locally to help protect the environment and prepare future generations for the effects of climate change etc.

We would love to see lots of children and young people there on the day, sharing their thoughts with us, doing fun and creative activities, and learning more about the natural world. There will be representatives from local and national environmental charities (including RSPB, Friends of the Earth, and the British Dragonfly Society); stalls selling recycled and hand-made arts, crafts, cosmetics and more; the North Yorkshire Rotters (with a wormery workshop!); eco tips, resources and info for families; local groups there to chat about what they're up to; and some indoor and outdoor activities for our younger visitors.

We hope they will go away feeling informed but, most importantly, empowered. We want to help combat the growing problem of eco-anxiety, by showing them what is already being done and how they can turn their negative feelings about the environment into positive action! Perhaps we'll even be able to generate some interest in creating a monthly 'Young REG' group to build on this (we'd love to hear their suggestions for a group name!) :-)

So, where do you come in? Well, we've come up with a collaborative project we hope will help encourage engagement from young people in the community, and ignite their creativity and positivity:

Introducing the REG Ocean Art Challenge...

- Indoors on the day of the fair, there will be a corner aimed at families and young people, and we will be joined by amazingly creative people from [The Paint Jar](#), [Environmental Art CIC](#) and [Be The Future](#).

- We will be making a 3D coral reef scene as a collaborative art project. The kind of coral reef our oceans deserve! BUT, it will be made from recycled/scrap/junk materials such as plastic bottles and bags, cardboard boxes – any (clean) rubbish really!

- The collaborative aspect is where the young people come in. We'd like to invite them to create and bring along something to live on our coral reef - could be a fish, crustacean, sea mammal, piece of coral or seaweed, etc.

- All the details are in the attached poster, and we invite you either to incorporate this activity into a lesson within school OR to send out the poster to parents via email/send home with children some other way.

- We have included a link to a Pinterest board we have created, which is packed full of ideas if needed!

- Children can also visit the fair and make their contribution on the day.

- There will be prizes for the three most creative, vibrant and hopeful contributions :-)

- We are even told that we may be able to display the finished sculpture as part of the Malton Sculpture Trail in August!

Thanks for reading this far and do let me know if you have any questions.

All the best,

Kate Stansfield MA MITI

Trans Pennine Trail – May Half Term Kids Pack Just Launched

We have just launched our latest activity pack full of fun activities that you can do with your children.

The pack is full of fun activities to keep you busy over the May half term including; rainbow bingo, making a bird feeder, flower identification, DIY seed helicopter and so much more! The activity pack is aimed at primary school children but some older ones may enjoy it too!

You can use the activity pack on the go by downloading it to your mobile or alternatively you can print it at home! If you don't have a printer and are unable to access the PDF, please let us know and we can send you out a hard copy!

Download it here: www.transpenninetrail.org.uk/welcome-to-our-childrens-page/ or click the image below:

Kind Regards

Hannah
