## School play volunteers & cake donations

Dear parents,

We still need volunteers for the 6pm Rocking Romans show, to help run the cafe and cake donations.

Please can you text Kitty 07404 852 703 if you can help at the play or donate a cake by this weekend.

## KS2 Play

We are very much looking forward to our KS2 play at the Terrington Village hall on Tuesday 11<sup>th</sup> July at 6pm.

Parents and the community are invited to join us for this event and tickets are available from the school office (free of charge).

**We will also be holding a dress rehearsal at the village hall for the community at 2:00pm. Refreshments will be served at both events.**

**Pupils can arrive at the village hall from 5.30pm to get ready for their play.**

# INFORMATION

## **Martial Art Club**

We are exploring the possibility of setting up an **extra-curricular martial arts club** in the next academic year. If you are interested in your child taking part in an extra-curricular Martial Arts Club , please complete [\*\*this form\*\*](#) .

## **Transition days**

Our pupils took part in our whole school transition this week and had so much fun in their new classes. They played lots of 'Get to know you' games and learnt all about their new class mates. Here is some pictures of what they got up to:

## **Sports day**

We had a fantastic day on Tuesday where our children took part in different sporting enhancements in the morning to progress their skills and abilities in: tennis, dribbling, shot put, agility and javelin. We then invited our parents to watch our pupils participate in competitive running events. All the children put 110% effort into the day and had so much fun doing so. We would like to thank all the parents for their continued support and for making the day so special for our children.

# KS2 WOW WORK

This week in Science, our year 5's have been exploring osmosis through scientific enquiry whilst our year 3/4's focused on food nutrients. Take a look at some of the fantastic work that they have produced:

**Activity**  
Complete the table below by adding examples of foods to each food group. Use the information in the table to complete the pictogram.

**Table showing the number of portions of food from different food groups that people should eat daily**

Food group	Daily portions	Examples
Bread, cereals, potatoes	9	Carbohydrate ✓
Fruits and vegetables	5	Fruit ✓, Veg ✓
Meat and fish	4	Meat ✓, Fish ✓
Milk and dairy	3	Calcium ✓
Fats and sugars	1	Sweet ✓

**Discussion**  
Some people are vegetarians - they do not eat meat or fish. Some people are vegans - they do not eat meat, fish or dairy products. What sort of foods could they replace their meat, fish and dairy with? What do these foods need to contain to keep the people healthy?
