## Extra-Curricular Clubs

Over the summer term we have been exploring the extra-curricular clubs for our next academic year. We have received some great ideas from parents who have completed the online forms questionnaire. This has been used as a basis for our offer next year. We are hoping to secure Total Sports Clubs, including tennis, basketball, cricket, badminton and athletics sessions; martial arts club; the fantastic dance classes led by Stacey at Just Dance York; forest school sessions. We will also be offering some clubs led by teachers based on their skills and interests. The clubs will be shared in September, with the aim to start the second week back. I would like to take this opportunity to thank you for your continued support in developing our extra-curricular offer for our children.

All the staff would like to say a big thank you for your continued support throughout the year and hope you all have a wonderful summer break and look forward to welcoming all the children back on **Wednesday 6th September.**

Please can all ParentPay accounts be brought up to date please.

## **Singing with Miss Nicky Young Crescendos**

I am a local singing teacher, teaching at Malton School, St.Mary's and Kirkham Henry, and I run a choir for young people aged 6 upwards at Malton School on a Monday evening. The choir is called Young Crescendos and it offers high quality singing opportunities for young people in Ryedale. With a big Christmas concert at the Milton Rooms booked in for Monday 18<sup>th</sup> December it would be lovely to have a few new members to join us from September. The choir has just had a very successful concert at Trinity where they raised £531 for the charity Candlelighters who support local families affected by childhood cancers.

You can find out more about me on my website which you can find below

Many thanks

Nicky

## **Get active with the Summer Reading Challenge 2023!**

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Ready Set Read! and is all about the power of play, sport, games, and physical activity.

The challenge for children is to read 6 library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited-edition Ready Set Read! medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 15<sup>th</sup> July until Sat 9<sup>th</sup> Sept.

There will also be a fantastic programme of activities in libraries all summer, many of them free, to go with the challenge – look out for flyers with more details which have been sent to schools to share with children and families.

# EYFS/KS1 WOW WORK

## Nursery and Reception

This week the children have been reflecting on themselves as we have enjoyed an 'All About Me' topic exploring our achievements this year. The children independently created a brilliant creation of the world they would love to live in!

## Year 1 and Year 2

KS1 enjoyed a fantastic trip to Dalby Forest exploring minibeasts and microhabitats!

# KS2 WOW WORK

KS2 have loved exploring environmental poems this week as part of the annual community village hall competition. We looked at what impacts our environment including seas to write our own poems to be entered into the competition. Take a look at some examples here:

## Quidditch

Our pupils explored the wizarding world of quidditch on Tuesday where they played in their house teams to compete in a quidditch match. They developed their team building, communication and tactical skills alongside developing their cricket, football, tennis and coordination on our giant inflatable obstacle course. Well done to all the children who had a fantastic day!
