

## **Nursery Admissions**

We warmly invite you to come and visit the school and watch us in action before deciding if we are the right place for your child to start their journey in education.

Your child may start at Terrington Nursery once they have turned three. We will then offer you half day taster session, each week, until the term after their third birthday when they receive their government funded hours. Parents may add their child's name to the waiting list once their child is 2 years old. Parents of prospective pupils are most welcome to visit the nursery and school by prior arrangement.

### **15 hours/ 30 hours funding**

All children are providing with 15 hours funding in the term following their third birthday. If you work more than 16 hours per week you should be eligible to apply for 30 hours funding, an 11 digit code is then produced which you should give to the school.

Your child may attend additional hours than just your entitlement, where available, at the cost of £5.00 per hour. We accept all main voucher providers, tax free childcare and payments online through Parent pay. Please contact our business manager for more information. Session times are as follows:

- Morning session - 9.00am. - 12.00 pm.
- Afternoon session - 1.00 pm. - 3.30 pm
