# WOW WORK

## **NURSERY AND RECEPTION (EYFS) (CLASS 1)**

In Early Years the Reception children have begun Phase 2 phonics and I have been blown away with their amazing attitudes and determination to write the letters we have just learnt. Some truly amazing WOW Moments have happened this week! Well done everyone!

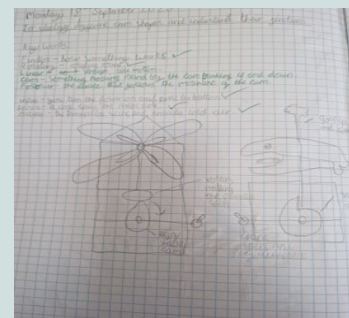

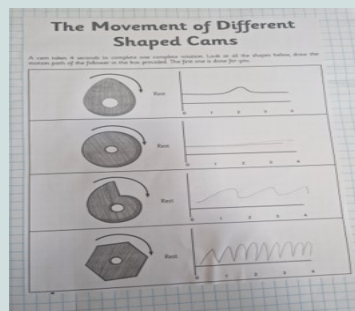

## **KS1 (CLASS 2)**

This week, class 2 have enjoyed a 'photo shoot' for the school website whilst painting a still life of logs, flowers and leaves. The children all used their own artistic flair to create such a variety of colourful paintings.

## **KS2 (CLASS2)**

This week in KS2 we have focused on cams in DT. We designed Cam toys and writing the input, output and the process involved with creating them. Take a look at our work!

## **Homework Survey – We Need Your Help**

As a federation we are looking to review our homework expectations in order that they provide the best opportunities for your children to consolidate their learning, but also to meet the needs of our diverse family body. As a senior leadership team we will look at educational research, liaise with other schools and take on board the views of our parents. As you will understand there are some expectations that as a school we will need to adhere to ensure your children get the best education we can provide. Understandably to come to an informed decision this may take a little time so please bear with us. Can we please ask that you complete the below forms link by Friday, 29<sup>th</sup> September in order to give you the opportunity to input in this important aspect of school / family links.

We need an enthusiastic and dedicated parent who can offer supportive challenge to the leadership of our Federation. In return we can offer you:

- a chance to develop skills in strategic management
- the opportunity to work with our team of governors and staff in improving our schools
- a sense of achievement in making a positive difference

the pleasure of helping our children reach their potential
