Cost for the block	£5	£21	£28
Maximum	10	20	16

For forest schools club, children will require a warm **coat and wellies.**

## Welcome to the team!

We would like to introduce you to Mrs Buckby, who will be our new interim lunch time supervisor at Terrington. Mrs Buckby has enjoyed meeting the children this week.

We are delighted to welcome back Miss Cooke who will be working across the three classes part of the week.

## THE WEEK AHEAD

Bat Survey Talk (at the Village Hall 6.30pm)	Monday 23rd October 2023
Sharing Assembly (all parents welcome 9.10am)	Friday 27th October 2023
Autumn Half term Holiday	Friday 27th October 2023

# INFORMATION

## Sharing Assembly

Our next sharing assembly will be held on Friday 27<sup>th</sup> October at 9.10am. All parents are welcome to join us for this.

## KS1 Trip – Castle Museum

We are pleased to be taking the KS1 children, from all three schools, on a trip to the Castle Museum in York on **Wednesday 15<sup>th</sup> November**. They will be looking into “How lives have changed in the last 60 years”. This links to our current topic and will focus on toys, transport and ways of cooking food. The cost of the trip is a voluntary contribution of **£9 per child**, which will be added to ParentPay – you will also need to **give permission on ParentPay** for your child to participate. Please speak to the school office if you have any additional circumstances that you wish to discuss.

All children will need a **packed lunch**. If you wish to **order a packed lunch from school**, this must be ordered from the school office **no later than 9am on Friday 27<sup>th</sup> October**. The choice of sandwich is tuna mayo, cheese or ham.

Please **drop your child off at 8.45am** on this day to ensure the timing of the trip is kept to and the day runs smoothly. Children will return to school for usual collection by 3.15pm. They should wear school uniform as usual, with sturdy and practical shoes, and should bring a jacket and a water bottle along with their packed lunch. If you do not want your child to go, please speak to your class teacher.

## Health and Wellbeing

Does your child suffer with anxiety?

Anxiety is a common feeling, but it can sometimes cause difficulties in our lives.

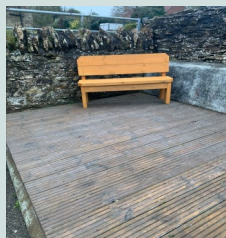

The Wellbeing in Mind Team are running a free teams session for parents and carers to help support students improve their mental health and wellbeing. The session is aimed to help in learning more about anxiety and how to help. Please see the attached flier for more details.

# INFORMATION

## FOTs & Parent helpers

We would like to say a huge thank you for all the support from FOTs to help fund raise the money to buy the resources and to the Dawson family for donating their time to make these beautiful benches for our school.

## Bat Survey Presentation

Please see below the date and time for the Bat Presentation at Terrington Village Hall. **Please note the date change.**

**!! The goings on at night in Terrington !!**

**Come and hear all about it!!**

**All will be revealed on 23 October at 18.30  
in the Village Hall**

Have you heard about the bat survey that people have been involved in this summer on farms and in gardens right across the parish? We've some amazing results to tell you about and a bat expert will be there to tell us more and to answer any questions about our nocturnal neighbours.

With a special appearance from children at the Village School to talk about their survey and the work they did based on it.

Everyone welcome, wherever they live.

## Junior Netball

A new junior netball club has recently been set up in the Ryedale area, affiliated to England Netball. The club has a taster session on Monday 23<sup>rd</sup> October, 6-7pm at Ryedale Sports Centre (Lady Lumley's School) in the indoor sports hall. This session is free and welcome to all students in year groups 6-9. Sessions will then commence after half term for £3 a week. If students are interested, the club requests that they email [ryedalejuniorsnetball@gmail.com](mailto:ryedalejuniorsnetball@gmail.com) to sign up. Further details can be found on the attached poster.

# INFORMATION

## **Parent Coffee Morning**

We have an exciting visitor coming to see our wonderful school on Monday 13<sup>th</sup> November from 9 am. Andrew Smith, The Diocesan Director For Education will be coming to get to know our school, staff and children better. Being a voluntary aided church school we get many benefits from the Diocese including support with our ethos and continual development and maintenance of our beautiful building, the recent library extension a prime example of this. We cant wait to showcase our school to Mr Smith and share our nurturing ethos with him that develops our children's confidence as they move through school.

We will be combining his visit with a parent coffee morning at 9 am until 10 in order for you to meet Mr Smith and to learn more about the benefits of our small schools working together from our school leadership team. There will also be opportunity to ask any questions you may have. I hope you can join us for this event.

## **Scampston Walled Garden**

I am writing on behalf of The Bothies Charity who operate out of Scampston Walled garden conservatories. Next week we are holding a toddler and parent stay and play Halloween Special. We would be grateful if you could share the attached poster with families, and if possible include a link in your school newsletter. I have included a link here direct to the booking page <https://www.scampston.co.uk/DB/events-list-families/nature-scamps-31>.

## **Yorkshire Arboretum**

We are looking forward to meeting you all again on Monday 30<sup>th</sup> October during half term for Nature Rangers. We will be having an autumn theme for this event, with games, crafts and activities about nocturnal animals including making a clay hedgehog. There will be opportunities for exploring the grounds and collecting but also to become creative in the inside space. The café will be open serving drinks and food.

Please book below:

[Nature Rangers Day 30.10.23 – Yorkshire Arboretum](#)

Please spread the word via your friends and schools.

We also have events during half term to plant acorns:

[Grow Your Own Oak 29.10.23 – Yorkshire Arboretum](#)

[Grow Your Own Oak 01.11.23 – Yorkshire Arboretum](#)

# WOW WORK

## **NURSERY AND RECEPTION (EYFS) (CLASS 1)**

This week the children have had a week exploring Autumn! We have enjoyed an Autumn walk as we searched for signs of Autumn, collecting sticks and yellow, brown and orange leaves to add to our Autumn exploration tray. In maths Reception have been creating repeating patterns using conkers, pinecones, leaves and acorns. Whilst Nursery have matched these objects and explained why they match talking about size and colour. We have loved making leaf necklaces as we develop our fine motor skills. In English the children have been exploring what animals eat through Autumn as they prepare for Hibernation.

## **KS1 (CLASS 2)**

We have had a fabulous week in class 2 this week. In Drama with Audrie the children enjoyed acting out scenes from traditional fairy tales and presenting these to the rest of the class. We also loved our PE enhancement day at the village hall, where we took part in dancing, football, circuits and rounders. A particular favourite activity was welly wanging!

## **KS2 (CLASS2)**

We have been focusing on how the moon, sun and earth relate to one another this week in science. We created some incredible poster to show our learning with a target audience of children in mind. Take a look at our work:

*Day and Night*

The earth spins around in the center, the sun is next to the earth and the sun just stands next to the earth and doesn't move at all. The moon goes around the sun and the earth and it takes a month for the moon to travel around the earth and the sun.

The earth is 149,000,000 km away from the sun.  
It takes the earth 365 to complete a whole orbit.  
It takes 24 hours for the earth to do a whole rotation.  
The North Pole temperature is 23.5 degrees.

*Fun facts*

- ⬆ Did you know the earth is a sphere?
- ⬆ When the sunsets it means it getting closer to the dark.
- ⬆ Did you know the sun is a star?
- ⬆ Only one half of the earth is daylight and the rest is dark.
- ⬆ 21<sup>st</sup> June is the longest
- ⬆ 21<sup>st</sup> December is the shortest.

# DATES FOR THE DIARY

Bat Survey Talk (at the Village Hall 6.30pm)	Monday 23rd October 2023
Sharing Assembly	Friday 27th October 2023
