

Homework Questionnaire

We have looked at the responses to the homework questionnaire and have not received enough responses to make any informed decisions with regard to this. Could I please ask that parents complete this on the link below. I have reopened the questionnaire for a further week. Your involvement in this would be greatly appreciated.

DATES FOR THE DIARY

Science Bus	Tuesday 10th October 2023
KS2 Malton Sports	Wednesday 11th October 2023
Sports Enhancement Day (years 1-6)	Tuesday 17th October 2023
Sharing Assembly	Thursday 26th October 2023
Autumn Half term Holiday	Friday 27th October 2023
First Day Back	Monday 6th November 2023
Flu Vaccine (Reception—Year 6) (Please See attached leaflets)	Tuesday 7th November 2023
Nativity Play	Monday 18th December 2023

INFORMATION

Sports Enhancement Day

On Tuesday 17th of October, all children from Years 1 – 6 will be taking part in our Sports Enhancement Day at Terrington Village Hall. Stillington and Foston children will be travelling on buses to Terrington with adults from their school. This event is held during the school day, the children will be returned to their school before the end of the school day.

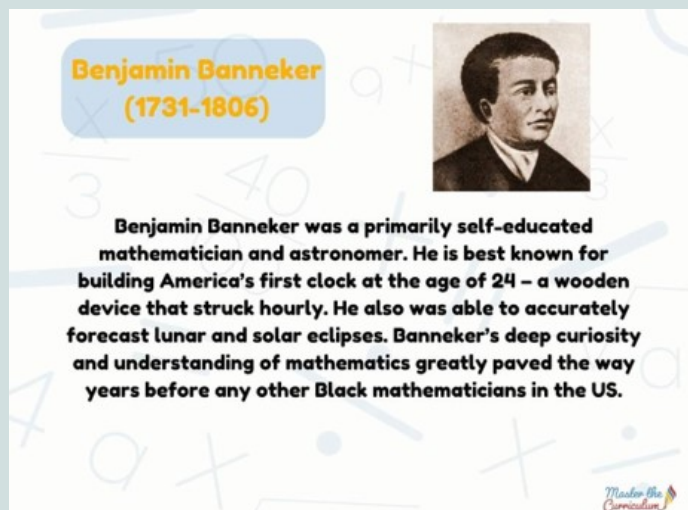

Children will get dressed in their PE kits at school. Please make sure that they have everything they need.

Children in Years 1 – 6 are asked to bring a packed lunch or order one from school. **Orders for a school packed lunch must be placed by 9am on Monday 9th of October.** If we haven't heard from you by then, you will need to send a packed lunch from home. Choice of sandwiches is ham, cheese or tuna mayo.

Reception and Nursery children will also take part in some different sport activities at their own school. If your child comes to school on a Tuesday and does not have their PE kit in school, please ensure that they bring it on that day to get changed into. Hot school lunches will be available, as usual, for reception and nursery children.

Black History Month 2023

As part of Black History Month, we are recognising and celebrating the invaluable contributions of black people to British society. Pupils across the school will be looking into the history of these fantastic people and the effect they have had on the world today. Take a look at Benjamin Banneker!

Benjamin Banneker
(1731-1806)

Benjamin Banneker was a primarily self-educated mathematician and astronomer. He is best known for building America's first clock at the age of 24 – a wooden device that struck hourly. He also was able to accurately forecast lunar and solar eclipses. Banneker's deep curiosity and understanding of mathematics greatly paved the way years before any other Black mathematicians in the US.

Master the Curriculum

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

In Reception the children have been using their listening ears to hear the initial sounds in words as we sort the words into Owl Babies nests.

Nursery have shown a keen interest in nocturnal and woodland animals so we have been enjoying listening to one of our favourite stories 'The Gruffalo' as we explore our role play through dressing up and acting out the story.

We have show and tell on a Tuesday afternoon. Children are welcome to bring in a show and tell for this day and we will spend some time sharing our show and tells with our friends! We have P.E on a Thursday afternoon with our sports coach and then children then enjoy the outdoor early years area independently everyday as we challenge our physical development and movement.

WOW WORK

KS1 (CLASS 2)

This week we have been hard at work creating lost posters for the squirrel in our story using full sentences, capital letters and full stops, and even including adjectives. Have a look at some of our wonderful work.

WOW WORK

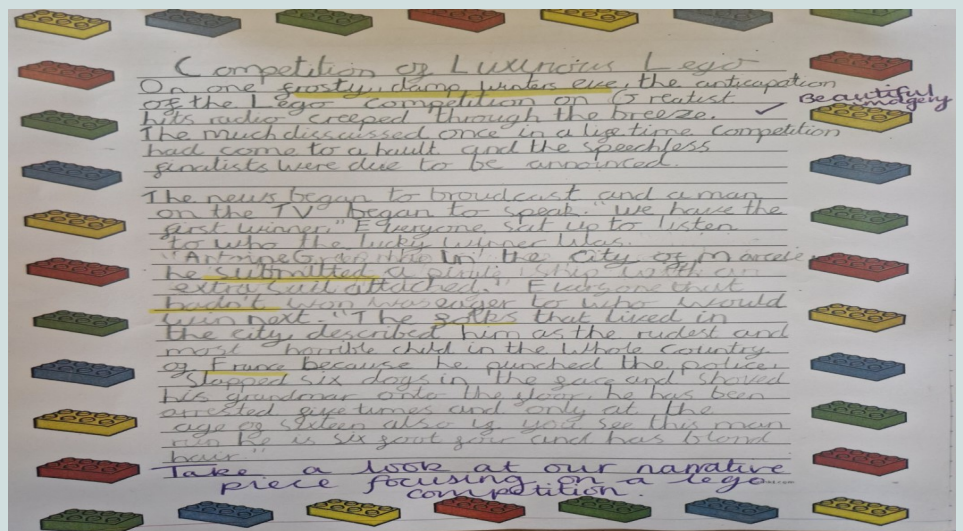

KS2 (CLASS2)

This week we have been completing our narrative in English. Our pupils were tasked with writing a chapter announcing winners of a Lego competition. Pupils explored fronted adverbials, modal verbs and hyperbole to support them with their learning. Take a look at the amazing work they have been doing!

KS2 Basketball

On Wednesday 11th, KS2 have been invited to take part in a Basketball event at Malton sports centre. Please can we ask that pupils have their PE kit and trainers in school on this day. Pupils will return before the end of the school day. Can we ask parents to give consent for their child to attend this event via parent pay.

INFORMATION

FOTS and Future events

We would just like to say a huge thankyou to everyone involved with FOTS and FOTS events over the past year. The money raised has helped buy new equipment for the children including interesting books, fantastic science equipment, a phenomenal sandpit for the EYFS as well as supporting with trips and events.

Moving forward into this year, we are looking at developing our outdoor space, the meadow. We have some exciting plans for an outdoor classroom space which we need funds to support with this project. We have enquiries for upcoming events within the local community with one being the Christmas fair at the village hall. Please can you let Miss Tordoff know should you wish to have a stall then she can pass on the details of the organiser. The funds raised would greatly support the development of the meadow.

As well as this, we have positions available within FOTS that parents are welcome to express an interest in via the school office email. These positions are for: Treasurer, Chair and Vice chair. Please can you let the school office know should you wish to take on one of these roles.

If you have any questions, please do not hesitate to get in touch.
