

## Nativity Performance at Terrington

As a church school it is very important that we continue our strong links with the church. Over the past few years our nativity has not been able to take part in the church like in previous years, but we are pleased to say that we can now return to holding this in our local church, therefore the following dates for our nativity and Christingle services will be held in Terrington Church.

Nativity Dress Rehearsal – Wednesday 13<sup>th</sup> December 2:30pm EYFS & KS1 parents

Nativity and Christingle Service Monday 18<sup>th</sup> December 4pm at All Saints Church Terrington – Whole School - all parents

## Class 1 Book Advent calendar

Please can the children bring in a wrapped favourite book from home (it doesn't have to be a Christmas book) to add to our class advent calendar. It would be lovely for them to be able to share their favourite books with the class. If you don't have any wrapping paper it can be wrapped at school.

# WOW WORK

## NURSERY AND RECEPTION (EYFS) (CLASS 1)

The children enjoyed playing in the snow and making snow angels.

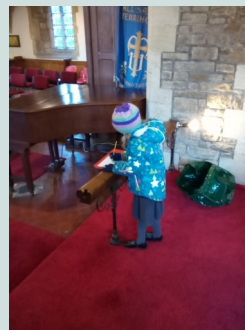

### Early Years Show and Tell

Nursery and Reception will now have their show and tell on a Monday afternoon. This half terms topic is 'Celebrations' so to support our children's learning I ask that the children bring in something that is special to them such as a birthday presents or a Christening present for example. We can then all have a turn at talking about why they are special to us.

## KS1 (CLASS 2)

This week the children enjoyed a visit to the local church. There, they looked for signs of Christmas for our RE topic. They drew some of the nativity scenes that they could see and spoke to the Reverend about how Christians celebrate Christmas.

## KS2 (CLASS2)

This week in Science, we have been exploring different types of stones and different type of textures. We looked at how to compare them through their use, how they are formed and the way they look.
