Parent Code Of Conduct

Governors have recently reviewed our parent code of conduct. We are extremely lucky that within our school communities this is a document we rarely need to use and we thank you for this. However, can we please ask that you pay particular attention to the social media section and ask for your support in reporting to us anything you may see that may identify our school or individual staff in a negative light. The new code of conduct can be found on the following page of our website: <https://terringtonschool.org/wp-content/uploads/2023/11/FST-Parents-Code-of-Conduct-Nov-23.pdf>

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

We have been getting into the Christmas spirit this week in Early Years as we decorated the Christmas tree! The children had so fun as we decorated the classroom. I was amazed to hear the children discussing the symbols of Christianity as we put out the nativity scene in our reflection area.

Reading Book Update

Nursery and Reception will get new reading books every Tuesday. Please ensure the previous books sent home are returned on this day to ensure we have a full collection of books for other guided reading groups to use.

It has been lovely seeing so many children trying so hard with their reading at home, reading at least 3 times a week! Well done to those who have been awarded with raffle tickets for their hard work!

KS1 (CLASS 2)

Class 2 have had a very busy week preparing for the Nativity. They have been working hard to learn their lines and we have really enjoyed singing the songs. We can't wait to show you the results of our hard work next week.

KS2 (CLASS2)

This week in PSHE, we have been exploring protected characteristics. Our children could reel off all 9 characteristics and explain these are 'what makes us, us'. We then began making poster to show the rest of the school how we are protected.

INFORMATION

Informing us of your child's absence

Please can we remind parents to telephone/inform school of your child's absence and that this is done before 9am each day (unless it is a 48hour sickness bug). Email for the office is :- terrington.primary@foston.n-yorks.sch.uk

Communication

As a school we have many channels for parents to communicate with class teachers. These include, at the start or end of the school day, through the children's planners, telephone calls or via an email to the school office. At each school, we have a member of the admin team, who works each morning answering the telephones and responding to emails. If you wish to contact school in the afternoon, and no one answers the phone, please can you leave a voicemail. The voicemails are checked before the end of the school day. Please can emails to teachers be directed to the school office rather than personal emails. This way, the emails can be forwarded onto teachers at a suitable time in the school day. All office emails are checked frequently, Monday – Friday, by our admin team.

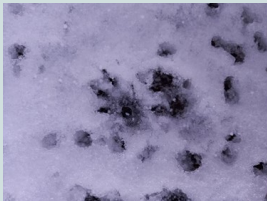

INFORMATION

Christmas Party

On Wednesday 20th December, we will be having a Christmas party in the afternoon for our children. On this day, pupils are welcome to come to school dressed in their party wear.

Fantastic forest school in the snow.

What a fantastic session we had in the snow last week. The children found some animal tracks in the snow, bugs caught in ice, created snow angels and the older children created a pyramid fire lay and successfully lit it with a flint and steel. Well done everyone!

The next two forest school sessions will be held inside. The children will be taking part in different forest school activities.

Wrap Around Care

Please can we remind parents that children require booking into our wrap around care and clubs the **Friday before via an email to the school office**. It is important that we are aware of the expected numbers so we can order sufficient food/snacks. Staff members leading the clubs will therefore be aware in advance of confirmed numbers. In emergencies, we will try to cater at short notice, however, this is not always possible.

As a school, we must follow our safeguarding and attendance procedures. Parents/carers will receive a phone call if children are booked into breakfast care and do not arrive or are not collected at the time specified from afterschool care.

For those children who attend club, we will be resending our 'School Agreement' for you to sign to ensure we have the correct information on record. For more information about booking places, cancellations and charging, please see our policy that can be found on our school website under the policy section. Thank you for your support.
