

Sharing Assembly

On Friday 9th February, we would like to welcome all parents to our sharing assembly to celebrate the success of our pupils across this half term. This will be held at 9:10am. If your child is receiving a certificate, a note will be in their planner.

ParentPay

Please can I remind parents to make payment for the [Residential Trip](#) and also any other [ParentPay debt](#).

York Mosque KS1

On the morning of Wednesday 21st of February the children in Key Stage 1 will be visiting York Mosque. The trip supports our learning in our RE topic across the spring term. Please ensure children are in school at 8:45 so that we can be ready to get on the bus as soon as possible. We will return for lunch so there will be no changes to school lunches. To cover the cost of the bus, we would appreciate a voluntary contribution of £6 which will be added to parent pay. Can all children wear school uniform and a coat and bring a water bottle.

[Please can all parents provide consent for the trip on parent-pay.](#)

KS1

Next half of term, the children in Class 2 will be creating rainforests in a jar. We would really like to have 9 large jars with lids for them to use, so please could you collect and send in any larger sized jars into school.

Also, as part of our local history topic 'investigating how our school has changed' we would love to invite any family member who used to attend our school to talk to the children about how things have changed over time. Finding out information from different sources is a key part of our history curriculum so your help is greatly appreciated. If you have any photos of the school in the past and you are able to share that would also be fantastic. Please get in touch with Mrs Rutherford for more information.

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

This week the children have shown an interest in junk modelling, using recycled boxes to create a range of different sculptures. They have enjoyed painting them and experimenting with joining techniques such as gluing, stapling and taping. It has been lovely to see the children experiment and explore in such an artistic way.

KS1 (CLASS 2)

In class 2 this week, we were very lucky to have a wonderful drama session with Audrey. The children really enjoyed pretending to be different characters and then they interviewed their friends. One child was a Ninja Turtle and the other asked, 'Where did you get your shell?'. Another pair were unicorns and asked, 'How did you get your rainbow tail?' to which their partner replied, 'From magic land.' The fully immersed themselves in their role as a new character. You could try playing this game at home so they can show off their new acting skills!

KS2 (CLASS2)

This week we have been exploring the usefulness of the river Nile and what part it has played throughout history. We looked at the papyrus plant which grew along the river Nile and what uses it had. We explored how this was used to create paper that Egyptians used to write on. We created our own writing facts about the Nile and our own names using Egyptian Hieroglyphics.
