

## **Message From the Head of School**

Where has this week gone? We have had another very busy and full week at Terrington. The Year 6 pupils completed their SATs and we are very proud of how they took it all in their stride. A big thank you to Miss Tordoff also in teaching and preparing them so well for their future learning. They will be really well prepared when they go to Secondary School later this year.

We are saying a farewell to Mr Dias-Leao today. He has been a large part of Terrington for some time now, but he is spreading his wings and moving on to pastures new. We wish him all the best in his new ventures.

We are welcoming Miss Skilling from next Monday, who is also working at Foston Primary school, to join the Terrington team to continue intervention work, support in classes and covering classes. I'm sure you will all join me in making her feel very welcome.

Next week will be another busy, fun week of learning as we move towards the half-term break. In the meantime, I hope you all have a very enjoyable weekend.

With regards,

Linda Bowman

## **Charity Day**

As part of our selected charities focusing on wildlife, we are going to be developing our meadow to make it a sanctuary for wildlife. As such, we will be planting wild flowers and trees on our meadow on Monday 20th. Please can we ask that KS1 and KS2 bring wellies and muddy clothes on Monday to take part.

## **Malton Sports Centre**

On Wednesday 22nd of May, the children in Years 3, 4 and 5 will be taking part in a rounders event at Malton Sports Centre. The year 3, 4 and 5 children are asked to come into school in their uniform and will get changed at school into their PE kits. Children will also need to be wearing their school jumpers. They will have lunch at school as normal.

## **Important Information**

We have been informed that there will be a funeral service in All Saints Church Terrington at 2.30pm on Friday 24 May. They are expecting a large congregation, so therefore there may be quite a lot of cars parked in the area around the end of the school day.

### **Mental Health Awareness Week**

This week has been mental health awareness week with a theme for our schools as 'move for your mood'. We have been very busy in our schools teaching the children about how to look after their mental health and what things they can do to help boost their mental health. Please see some of the amazing 'move for your mood' things we have been doing in school. Please also find some family mood booster sessions on the link below. <https://www.bbc.co.uk/teach/topics/cd1p8gmegeet>

### **Stranger Danger – Clever Never Goes**

Our PSHE curriculum covers a variety of different topics throughout the year. This half term KS1 have been learning all about stranger danger which we now call 'Clever Never Goes'. Some children have already started to look at this this week and it has become apparent that some children have very little knowledge around this topic.

The 'Clever Never Goes' programme has been developed to replace the outdated 'stranger danger' approach. Research shows that teaching children simply to avoid strangers fails to keep them safe. Strangers are often more likely to help a child than to harm them. Conversely, it can often be people known to children that pose the greatest threat.

'Clever Never Goes' moves the focus away from strangers and instead teaches children to recognise when someone (whether they are known to the child or not) is trying to persuade them to go with them. The programme is designed to be fun and positive, whilst at the same time delivering a serious message and giving children practical safety skills and confidence to engage with the outside world.

In addition to the schools lesson **you too can help your child to understand the Clever Never Goes message**. You can download (free of charge) a Clever Never Goes home pack at the website [www.clevernevergoes.org/parents](http://www.clevernevergoes.org/parents). The home pack contains some great ideas for how to approach this topic with your children as well as games and activities. On the website, you can also see a series of cartoon sketches which are a good way of reinforcing the Clever Never Goes message and checking that your child has understood the key Clever Never Goes message.
