

Message From Head of School

Dear Parents,

We have all enjoyed another busy week at Terrington. The sun has been out and the children and staff have enjoyed playing and learning outside, either in the playground or on the meadow.

All children enjoyed their session with **Ryevitalise (North Yorkshire Moors National Park Authority)** in the meadow weaving willow; pond dipping and identifying the wildlife they found and creating flower crowns, followed by mirror painting.

KS2 pupils then went to Howsham Mill on Wednesday and thoroughly enjoyed their enrichment day and meeting up with their peers from across the Federation.

I wish you all a very happy bank holiday weekend,

Linda Bowman

Financial Assistance

You may be eligible to apply for free school meals if you receive one of the following income-related benefits. Even though your child may already receive them now if they are in Years Reception, Year 1 or Year 2, it is worth applying as children who are recorded as eligible for free school meals will continue with free school meals for 6 years (referred to as Ever 6FSM).

Income Support

Income-based Job Seekers' Allowance

Income-related Employment and Support Allowance

Child Tax Credit combined with both a household income below £16,190 per annum and not in receipt of any Working Tax Credit.

Support under part VI of the Immigration and Asylum Act 1999

Guarantee Element of state Pension Credit

Universal Credit and annual household earning of less than £7,400

You can apply for free school meals here: <https://www.northyorks.gov.uk/education-and-learning/free-school-meals>

Although this is not a personal allowance for each child, children claiming and receiving free school meals have in some instances the opportunity for the money to be used for extra-curricular clubs, educational visits, as well as extra resources and tutoring in school to support pupil's learning. So please if you feel that you fit this criteria complete the form in the link above, or speak to the school office,

INFORMATION

Staffing Update

It is with sadness that I share that Matt Marshal, who currently teaches y5/6 at Foston, will be leaving us at the end of the academic year. I know you will all join me in thanking him for everything he has done for our federation in a variety of roles and wish him success in the future. Matt has been an amazing colleague and support to the children during his time with us.

I am pleased to share that after an interview process on Tuesday we will be inviting Mr Neil Carlisle back to Foston in the role of Year 5/6 teacher and federation SENCO. Neil will be starting transition into the senco role over the course of this term alongside Miss Stringer in order to get to know the three schools from a SEND perspective.

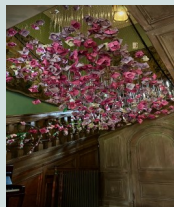

From September Mrs Hunter will return to full time teaching in September at Stillington

Kind regards
Sarah Moore
Executive Headteacher FST Federation in Collaboration with Langton Primary School

Blossoming Words - on display until 2nd June

Recently we all took part in a poetry workshop. The installation is now on display at Nunnington Hall, where it will remain until the 2nd June.

The installation is accompanied by an audio track featuring a selection of poems created and read by workshop participants, alongside readings by the current Poet Laureate, Simon Armitage. If any of your pupils and their families would like to visit Nunnington Hall while Blossoming Words is on to view the installation, our opening times and prices can be found here: <https://www.nationaltrust.org.uk/visit/yorkshire/nunnington-hall/events/9c0147c1-ff50-4372-8c5a-08d135b0dbf0>

INFORMATION

<https://forms.office.com/e/rS117nCzjH>

Bikeability May 22nd and 23rd

Growing up in North Yorkshire

As part of North Yorkshire surveys, we have been asked to complete a questionnaire aimed at KS1 and KS2 named Growing Up In North Yorkshire (GUNY) to better support their development and understanding within the PSHE curriculum.

We will be conducting these questionnaires over this month with the following year groups:

KS1 questionnaire - Y2/3/4

KS2 Questionnaire - Y5/6

Please find attached guidance and further information. We have a paper copy of the electronic questionnaires in school for you to look through should you wish. These will remain on the school site.

If you have any questions, please contact the school office addressed to Miss Tordoff.

INFORMATION

Cricket fundraising day

To tie in with the cricketing T20 world cup competition which starts in June we have organised a fantastic opportunity for our children to learn both about cricket and raise money at the same time! We are excited to welcome Tom Bates who represents North Yorkshire Community Cricket to run some cricket workshops and to talk to the children about the successes of local cricketers who now play at a national level.

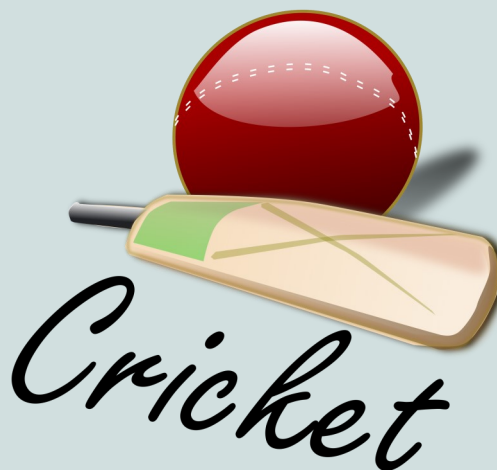

This exciting event will take place on Wednesday 15^h May at Terrington school. All the children need are their PE kits.

Alongside developing our bowling and batting skills we would like your children to raise money which will go towards the charities selected for their support earlier in the year.

A sponsorship form will be sent home, these will need to be returned once the children have completed the cricket day along with any sponsorship raised. Please don't feel pressure to raise a large amount, the children having fun and learning new skills is the main priority.

Terrington Village Hall Event (please see attachment)

Tech Touch Football at Village Hall (please see attachment)

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

This week early years have loved independently exploring their own mini worlds full of people who help us! I have been amazed to see all the brilliant sculpture creations as they have used their imaginations to make some beautiful words.

KS1 (CLASS 2)

We have had a fabulous week in class 2. We have done some fabulous practical Maths to count in 2s as a stepping stone to learning our 2 times tables. We have really enjoyed creating a timeline for the Easter Holy week and re-telling the events from the Easter story.

KS2 (CLASS 3)

This week in KS2 we have been exploring collage in art. Our pupils experimented with different techniques then put their learning into practice through recreating artwork. Take a look at what we have been looking at:

DIARY DATES

May Day Bank Holiday	Friday 3rd May 2024 (Last day) Tuesday 7th May 2024 (First day back)
Multi- Faith Day	Wednesday 8th May
