

Message From the Head of School

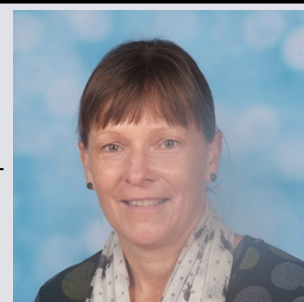

Dear Parents,

Another busy week has been had by all at Terrington School. We have welcomed new pupils and met new friends across the world, through our Diversity Day and the Kafun-jo Project.

As you will see from below, everyone has been very busy and involved in lots of activities during the week. I also know from my diary that there are plenty more exciting days coming up before the end of term for the children to participate in. Please keep checking the bulletin for up and coming dates.

I wish you all a lovely weekend.

Linda

Teacher's Absences

Whilst we don't always have control of when our teachers are not in class (illness) wherever possible the children in the class will always be told before by their class teacher. Unfortunately, we are not able to let parents know this as things can sometimes change in a school week

Wellie Store

We have a lovely new storage facility for pupils' wellies to be stored in school to ensure we can use the meadow in all weather conditions. We welcome your child/children to bring in their wellies to store in school to use when is needed. Please can we ask that they are labelled with their name.

Message from the Executive Headteacher.

Dear Parents / Carers,

Staffing Updates

We are delighted inform you that from September 24 Mr Matt Marshall will be teaching our Year 3/4/5/6 class. Mr Marshall is already employed by FST Federation and currently teaches Y5/6 at Foston. The KS2 children will probably remember him for his infamous rap during this years residential on the subject of cheese and other events across the federation! We look forward to welcoming him to Terrington Primary School. Mr Marshall will be coming into Terrington for transition days before the summer to get to know all the children better.

It is with sadness that I must share that Miss Birdsall will be leaving us at the end of the academic year to pursue other opportunities within EYFS. I know you will join me in thanking her for all she has done at Terrington over the last 4 years. We will miss her very much.

Mrs Rutherford will continue on into the next academic year within our EYFS / KS1 team and we will shortly be advertising for an additional fulltime teacher to work alongside her. We will let you know as soon as we can introduce the successful candidate.

Kind regards
Sarah Moore

WOW WORK

NURSERY AND RECEPTION (EYFS) **(CLASS 1)**

We have been enjoying learning about Summer this week as the children explore how to stay safe in the hot weather. The children have loved role playing with the 'At The Beach' role play area, wearing their hats, sunglasses and pretending to apply their suncream when visiting the beach! We're all Summer ready now!

KS1 (CLASS 2)

This has been yet another busy week. We were lucky to have another visit from Audrey where the children moulded each other into characters from Fairy tales, we celebrated Diversity week with Key Stage 1, and the Year 1s tried their hardest with their phonics screening. Well done year 1s- I am so proud of your efforts!

KS2 (CLASS 3)

This week in KS2, we have enjoyed looking at journeys through our RE learning. We discussed the journeys we have been on throughout our lives thus far and discussed even the smallest of journeys such as walking to the meadow. We ventured to the meadow taking with us a journey stick to capture every aspect of their journey.

Some children from KS2 have kindly been invited to take part in a swimming gala at Norton pool on the evening of 9th July. Selected children have received a letter from their class teacher with further information. This will take place at Terrington Village Hall. Gymnastics KS2

On the 21st June, the KS2 children from Terrington and Stillington will be taking part in a gymnastics enhancement session at Malton Sports Centre. The session will be led by two gymnastics coaches: one of which was national champion for 6 years. This is an excellent opportunity for the children to learn different aspects of gymnastics.

Children should come into school in their uniform and will get changed at school into their PE kits. Children will also need to be wearing their school jumpers. They will have lunch at school as normal.

Fantastic Friday July 12th -Key Stage 1 and 2

The children will be travelling by bus, which will be leaving at 9:15 and will return at 2:35. Please can all children come to school in their PE kit. Helmets will be provided, however if your child wishes to bring one, they can, but please make sure it is clearly labelled with

All children will be having a packed lunch, so please send them in with lunch and water bottle, or pre-order lunch from the school office before Thursday June 27th with their choice of cheese, ham or tuna-mayonnaise sandwich.

As we have a company bringing in a range of exciting, different cycles, and there is the cost of the bus to transport the children to Stillington we would appreciate a voluntary contribution of £8 per child towards to cost of the day which will be added to parent pay *please provide consent on parent pay for the cycles*.

Fair Play

According to Statista, 69% of children currently engage in competitive sport, either in or out of school. Thanks to the Euros, it's very possible that percentage will see an uptick in the coming weeks. Enjoying sport and revelling in healthy competition can have a fantastic impact on children's development – but when presented with the idea of a winning side, emotions can sometimes run high, and feelings can be hurt. Please find attached a poster to help promote fair play in competitions.

Dear Parent/Carer

NSPCC's *Speak out. Stay safe.* programme

I am pleased to inform you that we are participating in the **NSPCC's *Speak out. Stay safe.* Programme** this term. *Speak out. Stay safe.* is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme is aligned with the curriculum and consists of age appropriate virtual assemblies and supporting classroom based activities which we have reviewed, alongside NSPCC volunteer led face to face workshops for children in Y2 and Y5/6. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy.

Parents and carers are asked to let school know if their child may have experienced anything (in the past or happening now) which may mean they need extra support before, during or after taking part in this programme.

If you would like to know more about the *Speak out. Stay safe.* programme visit www.nspcc.org.uk/speakout.
