

Dear Parents,

We have had an extremely busy and sporty week in school. A huge thank you to Miss Cooke for organising such a successful sports day that was enjoyed by all. It is always a highlight of the year when all the children and families come together across the federation for this event.

KS2 pupils came together again on Thursday for an activity day at Terrington Field, including friendship games, rounders, football, forest school and the 'green inflatable', followed by the Choral Speaking event. Well done to all who took part. The poems were impressive.

Please can we remind all parents to follow the NHS guidance relating to childhood infections. As a school we follow the NHS guidance for illness within school.

[UKHSA guidance](#) (Oct 2023) says that it is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.

For children and young people aged 18 and under who are recommended to take a COVID-19 test by a health professional and test positive, the advice is to try to stay at home and avoid contact with other people for three days. This is because children and young people tend to be infectious to other people for less time than adults.

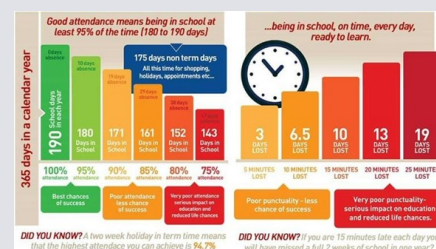

Please be aware that we do have vulnerable children within our school community and appreciate if parents could let us know as soon as possible if their child has any infectious illnesses. In this way we can notify the parents in a timely manner. Thank you for your help in this matter.

Linda Bowman

Attendance

As you may be aware there has been a national drive by the government on improving all school's attendance figures, as good attendance is proven to give children the maximum learning time possible. The government expect all schools to inform parents of their child's attendance. As a school we aim for 95% attendance from all our pupils, and we regularly inform you of your child's attendance either through attendance letters and/or parents evenings. We have seen a real improvement across all our schools over this last year, but we do realise it is not always possible to attend every day especially when your child is poorly. We will be sending out attendance letters this week for children that have fallen below 95% attendance for the school year up to Friday 28th June and for all other children you will be able to find their attendance percentage on their school report.

WOW WORK

NURSERY AND RECEPTION (EYFS) (CLASS 1)

This week the children enjoyed a fantastic sports day! We enjoyed doing our own mini Olympics here at Terrington with all the Early Years children. Everyone got involved in making and designing their own medal before heading out to practice balancing, jumping, throwing and running. We then headed down for a brilliant afternoon for the racing events! A big thank you to Miss Cooke!

KS1 (CLASS 2)

We have had yet another fabulous week in class 2! The children have really enjoyed their transition days creating their self portraits, playing games with their new classmates and working together. We also had Sports Day on Tuesday; the children loved taking part and raced as best they could! It was so lovely to see them with their peers from cross the three schools too.

KS2 (CLASS 3)

This week in KS2, we have explored voting in line with the current vote. We explored the different parties and their manifestoes. After, we worked in groups to think about how we would like the country to be run and made our own party and manifesto. We loved learning about British values specifically democracy.

Choral Speaking

Thank you to all the parents for supporting our children at the Choral speaking event last night. We had a very tight vote meaning we had two winners which are..... the Y6's and the self written animal poetry group. A huge congratulations to all of our pupils for their amazing hard work. All groups will perform at the choral speaking event on Monday again to share the work with our federated schools and the winners will receive a prize and compete again against the winners from the other schools. This event is for pupils only.

INFORMATION

Sports Day – FST Olympics and gymnastics.

What a fantastic couple of weeks we have had celebrating the upcoming Olympics and paraolympics.

The KS2 children from all three schools have had the opportunity to take part gymnastics at Malton Sports centre with two gymnastics coaches: one of which was national champion for 6 years and a sports. The children used the vault box, springboards and learned how to safely achieve different balances.

On sport day all the children came together to take part in different Olympic activities. In the morning the **EYFS** children took part in their activities at Terrington Primary School. The children enjoyed developing their balancing skills in gymnastics, using their throwing skills in shot put and learning different techniques for jumping.

At the village Hall in the morning the KS1 and KS2 children took part in 6 different Olympic activities, these included Football skills from **York City FC Foundation**, long jump, discus, javelins (foam) archery and goal ball. A great time was had by all.

Afternoon.

What a fantastic afternoon! It was so nice to see so many parents, family and friends showing their support for the children as they continued with their Olympic activities, including boccia, hurdles, equestrian and running races.

Well done to the parents, toddlers and teachers for taking part in the races.

A big thank you to all staff for making this day so successful.

INFORMATION

Friday 12th July Safety Themed Fantastic Friday

The KS1 and KS2 children from Foston, Terrington and Stillington will be coming together at Stillington school for the day. Please remember to arrive to school in PE kits and bring packed lunches, water bottles, sun hats and suncream. Please give consent on parent pay for your child to try the range of cycles that will be available, including go karts and unicycles! If you would prefer for your child not to try out the cycles, please email the office in advance.

INFORMATION

Nursery and Reception Trip – Woldies Nature Farm

The children in Nursery and Reception will be visiting Woldies Nature gardens and trails on **Monday 15th July**. We will travel by coach together and the children will need a packed lunch for the day and a water bottle. A packed lunch can be ordered from school please let the office know by **Monday 1st July** if required. Children should wear their school uniform and please bring a sunhat if the weather is hot and a coat if it is cooler or wet. The cost of the trip is £16.50. We ask for a voluntary contribution to be paid via ParentPay, and the permission slip to be signed. If you have any questions, please speak to the class teacher.

Leaver's service & End of year picnic.

On Wednesday 17th July, we will be holding our leaver's service at Terrington All Saints Church at 2:30pm. We would like to welcome all parents to join us to celebrate our year leavers. Please can I ask that parents of Y6 pupils bring pictures in to school or send photos of their child throughout their life for a leavers video.

After the service, we will be heading back to the school meadow for an end of year picnic. Parents and pupils are welcome to join us from 3:30pm - 5:30pm. We will have activities for pupils to take part in with Total sports and we welcome you to bring food for yourself and we will provide ice cream and drinks.

Outdoor Learning- Summer Holiday Activities

North Yorkshire Outdoor Learning Service have been busy planning an exciting and inspiring range of experiences to get young people and their families active and in touch with nature over the school holidays. Get ready for an outdoor experience like no other!

Adventure Club will keep your young people busy with activities that could include climbing, caving, high ropes, river scrambling and water sports such as canoeing and sailing. There are also Family Activity Days where everyone gets a go! You could even get out on the water with friends and family for a Pay and Play canoeing session. Or if your young person wants to sail the seven seas, a two day accredited RYA Youth Sail course might be just the thing. There's something for everyone! [Flyer](#) attached.

Join the team for an unforgettable summer of fun and adventure in the great outdoors at either Bewerley Park Outdoor Education Centre in Pateley Bridge or East Barnby Outdoor Education Centre in Whitby. Find out more and book now at www.outdoored.co.uk/summer

INFORMATION

Redeem your vouchers for free holiday activities this summer

We have issued vouchers to all families whose children are eligible for free places on FEAST activities this summer. You should have received this via email or text, from a platform called Holiday Activities. Follow the link in that email/text to redeem your voucher and request your child's place on some of the fantastic activities on offer across North Yorkshire.

Please note that an activity showing a waiting list does not always mean that an activity is full. To help ensure as many families as possible get to take part in FEAST, most activity providers will open a waiting list for all booking requests before confirming places. Please request a place and you will receive an email/text notification from Holiday Activities if your place is confirmed.

If you believe your child is eligible and you have not yet received your voucher, or you have lost it, please contact the school office.

To learn more about FEAST, and for information on activities, eligibility and how to manage your bookings, [visit the website](#). For a step-by-step guide on how to redeem your vouchers and book a place using HolidayActivities, [watch this video](#).

Summer Reading Challenge

Libraries across North Yorkshire are getting creative with this year's Summer Reading Challenge Marvellous Makers which is themed around creativity. The Summer Reading Challenge is aimed at children aged 4-11, encouraging them to keep reading and enjoying books throughout the summer. Children can sign up at any North Yorkshire library from 13th July and will receive their collector's folder to get them started. There are stickers to collect along the way and children complete the challenge by reading at least 6 books by 7th September. All children who complete Marvellous Makers will be awarded a medal and a certificate. It's FREE to join your local library and FREE to sign up for Marvellous Makers. And look out for loads of fantastic events for children and families happening in our libraries throughout the summer holidays.

Adult Learning North Yorkshire- Free online courses

Are you a parent, school staff member or family member interested in understanding and addressing the unique challenges faced by children with autism and special educational needs? Our Level 2 distance learning programmes provide essential knowledge and practical strategies to create a safe and inclusive environment for all children. Our courses include:

TQUK Level 2 Certificate in Awareness of Bullying in Children & Young People

TQUK Level 2 Certificate in Special Educational Needs and Disabilities.

TQUK Level 2 Certificate in Understanding Distressed Behaviour in Children.

Many more courses available! Visit: [Adult Learning North Yorkshire | Distance Learning Courses](#).
